| Castlefields Surgery provides traditional General Practitioner services in primary healthcare to the registered patient list and to those residents requiring temporary resident primary care and immediately necessary treatment when residing in the surgery's catchment area. The surgery provides equitable and safe access to high quality services in primary prevention; primary medical care; chronic disease management; nursing care and treatment; and urgent medical care in a well maintained purpose built surgery building. Quality and patient satisfaction is measured regularly to ensure the surgery maintains a high standard of care to its patient population. We are committed to working with the area Clinical Commissioning Group to improve the health of the local population and work towards reducing health inequalities, producing healthy outcomes for those patients requiring treatment and care. With a desire to effectively build links with other public health and social service providers to integrate within the local healthcare community.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
